Have had a few people show interest but need a few more to make it viable to organise a course if you are interested or want to know more before deciding speak to Alan or Peter

### Camping

Have had the suggestion to paddle up Looe River and camp in Campsite and return next day is this something you would be interested in? if so let Peter Know to gauge possible interest before time is spent investigating logistics.

### Introductory Course

If you know anyone interested in a course let Phil Know then feel free to come along with them on training course so there's a friendly face they know.
